

Comfortable Mountain Living

Good Shepherd Place offers independent retirement living near downtown Cumming in the foothills of the North Georgia Mountains.

Located within walking distance of neighborhood shopping, a medical facility and other necessities, Good Shepherd Place features the convenience of apartment living in a quiet, wooded environment.

The three story building is served by a central elevator and has a community room and outside patio for social activities.

Apartment Homes

Each Good Shepherd home has wall-to-wall carpeting, a fully-equipped all-electric kitchen, a hook-up for cable television and individual air conditioning/heating controls.

Every apartment has safety features including a sprinkler system, smoke detector, an emergency response system, and a well-lit parking lot.

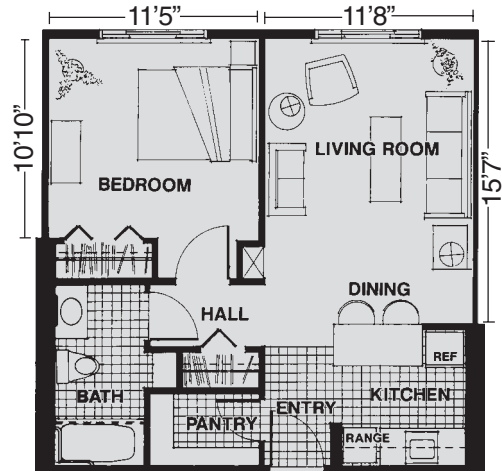

The building is handicapped accessible with selected apartments are handicapped equipped.

For added safety, a resident manager lives on-site.

Special Features

- Coin Operated Laundry Facilities
- Interior Entrances to Apartments
- Storage Compartments Available

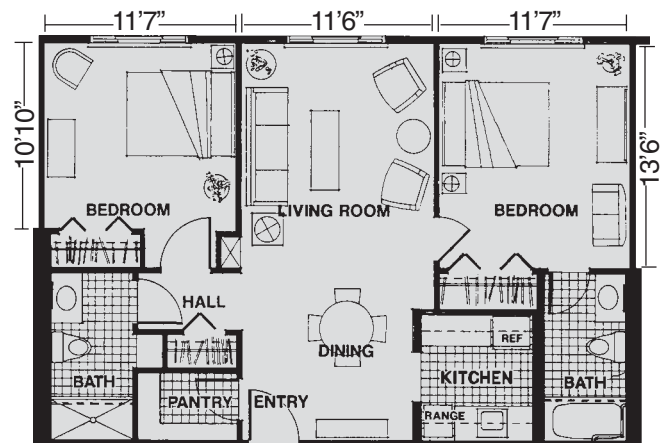

THE BLUE RIDGE

The one bedroom Blue Ridge design has a space-efficient floor plan to accommodate couples or singles. It features abundant closet space with a comfortable living room and intimate dining area.

Approximately 552 square feet

THE LANIER

The roomy Lanier apartments, with two bedrooms and two baths, offer privacy and convenience for both residents. The living and dining area is perfect for entertaining guests. There is even pantry space for extra storage needs.

Approximately 835 square feet.
