

# Take A Step...

How to move gradually toward stewardship - giving which is planned, proportionate, and sacrificial

◆ Find your household income at the left of the chart below.

◆ Move across on the same line to find the amount you currently give weekly in your parish Sunday envelope.

◆ Move straight up the chart to find what percentage of your income your current gift represents.

Please consider *taking a step* by pledging at the next level (to the right).

For example, if you are presently giving 2% to the parish, consider pledging 2.5% or even 3% now.

Consider setting your eventual goal at the biblical tithe of 10% (5% to the parish, 1% to the Annual Appeal and 4% to other charities). It may take a few years to get there, but this is a worthy and rewarding goal for all on the road of discipleship.
