

# Table of Resources & Abbreviations

The following resources are provided (1) to assist pastors and parish coordinators in their preparations for catechetical sessions or (2) for those who would like to read more. This is not meant to be an exhaustive list of resources but a starting point for continued Marian studies. They are grouped by type: magisterial documents, books, children's books, websites, media, pro-life, and additional resources. Where possible, I have provided a link to documents and books online.

The abbreviation in the left hand column matches the abbreviations used in the previous section of this Guide, "Marian Doctrine and Dogma."

The Archdiocese of Atlanta is not responsible for the contents of any of the resources or websites.
