

Memo

Date: July 5, 2011
To: Pastors, Principals, and Business Managers
From: Michael Warren, Controller
Re: Change of Standard Mileage Rate for 2011

Effective July 1, 2011, the IRS has set the standard mileage rate for business mileage at fifty-five cents (**55¢**) per mile.

Please note that this a four cent (4¢) increase from the first 2011 standard mileage rate of fifty-one cents (51¢).
