

MARK YOUR CALENDARS FOR THE

FORMING BETTER ALTAR SERVERS WORKSHOP

Put on by the Archdiocesan Office of Divine Worship, this one day workshop will offer suggestions on how any parish might improve the way it coordinates its Altar Server Program, and how it trains its Altar Servers in general. The workshop is designed specifically for Priests, Deacons or Lay People who are in charge of their parish's Altar Server Program. The workshop will provide hands-on practical advice, useful materials, and fresh ideas to improve the morale and the skills of your Altar Servers. No matter how excellent your parish Altar Server Program may be, you will find new ideas and support for improving that program. This year, the Archdiocesan Office for Divine Worship will offer the English workshop on 12 November 2011 and the Spanish Workshop on 29 October 2011 at Chancery of the Archdiocese of Atlanta, 2401 Lake Park Dr, SE, Smyrna, GA 30080. The workshops will run from 10 AM to 2 PM.

Materials will be provided, as will lunch, so we'll need to have a count of who we should anticipate. If you plan to attend, please respond before 26 October for the Spanish Workshop and before 7 November for the English Workshop to The Office for Divine Worship. Check out our link on the website at www.archatl.com/offices/odw for directions and a schedule. We look forward to serving you. Please circle the workshop you will be attending.
