Individual Employee Visa Cards

1. Employee establishes a membership (\$30) with signature card and driver's license copy.
2. Employee completes the Visa application and is qualified individually for card.
3. Card lists staff member's name with Parish name beneath.
4. Bill is sent to home address.

Guarantor Visa Cards

1. Open one membership for qualified guarantor (\$30), with signature card and drivers license.
2. Guarantor completes one Visa application for total amount and provides addendum stating the desired credit limit for each individual by name.
3. Complete individual signature cards and provide drivers license copy for each cardholder.
4. Card listed in individual's name with Parish name beneath.
5. Bills sent to the Guarantor (Parish).

Parish Approved Cards

1. Parish opens membership (\$30) in its own name and EIN (signature card).
2. Parish places "good faith" deposit with credit union (amount to be determined by management based on financials and credit limits).
3. Visa application is completed by Parish for total credit limit desired.
4. Other Parish documents needed: corporate resolution completed by finance council, letter confirming status as 501© (3), addendum stating the desired credit limit for each individual by name, and the business credit card agreement.
5. Complete signature card and obtain drivers license copy for each individual signer.
6. Card listed in individual's name with Parish name beneath.
7. Bills sent to the Parish.
