

Catholic Mutual:

Youth Ministry and insurance related issues, special event insurance and group trip insurance will be addressed.

D&L and Priest Remuneration

Have questions about your D & L? What's in the horizon for priest remuneration? Get the answers to all your questions in this session.

Faith Interactive: The Parish Challenge of Engagement & How Technology Can Help

Ryan Foley will present a brief demonstration of Faith Interactive's Connected Community software and how it helps connect and engage parishioners. The presentation will also explain the value and benefits of integrating with your existing ParishSOFT database.

Human Resources & Safe Environment Procedures

Brush up on current policies and procedures from the HR and SEP offices.

Logos: Preview of Version 9 & Custom Reports

Get a tour of what's new in the next version of Logos. Learn how to create commonly requested custom reports for your Pastor and Finance Council!

Our Sunday Visitor: Online Giving

Online Giving is becoming more and more popular. See how technology can increase your income while reducing your costs, as well as how you can collect payments for RE Tuition fees, or payments for parish or school events.

ParishSOFT: Ministry Scheduler

Preview the new web access that ministry leaders can use to manage their groups while providing you with an accurate list of volunteers in your ParishSOFT database.

ParishSOFT: Duplicate Checker

See a demonstration of how to run Duplicate Checker on your database to merge the duplicate family records in your database. (parishes will be able to begin this process after all parishes are on version 3.7.23)

ParishSOFT: My Own Church

Learn about the web access for parishioners to register with your parish, update their demographic information and much more!
